ABOUT US

RKA Infotech is a leading digital service providing company based in the U.S. and in India with over 5 years of rich experience. We are a regiment of enthusiastic and innovative software engineers and people who have great zeal towards their work and believe in the fulfillment of commitment, work with dedication, and harvest outstanding results. We enjoy what we do and we do everything wholeheartedly.

We offer varied technology services which include Web and App Development, Web designing, content writing, digital marketing and more. Our team has all the necessary skills, expertise, and knowledge to provide all types of App development, designing, SEO, SMO, traffic management, e-Commerce, and web development services.
All these services are customizable to the user's requirement and specifications. Our teamworks with the clients to understand the core requirements that you can learn to build a high quality and efficient technology period.
