PROFESSIONAL EXPERIENCE

Coronis ajuba solutions private limited

Mar 2023 - Present

Senior AR Caller

In my role, I manage accounts receivable for US healthcare providers, ensuring accurate follow-up on balances, resolving denials, and addressing billing issues. I initiate calls to insurance companies, navigate web portals, and ensure deliverables meet quality standards. Additionally, I perform pre-calling analysis, review EOBs, and escalate issues as needed.

Fuschia Global Solution

Jan 2022 - Mar 2023

AR Caller

In my role, I manage accounts receivable for US healthcare providers, addressing denials, correcting claims, and documenting actions in billing summaries. I work closely with the team leader to ensure quality deliverables and compliance with company policies. My responsibilities also include contacting insurance carriers, reviewing updates, and maintaining production logs.
